Official Newsletter of the Computer Education Society of Philadelphia

February 1999

Volume 18 Issue 2

\$1.50 US

MEETING LOCATION

Until further notice, all meetings will be held at the 7th Police District's Community Room located at Bustleton & Bowler.

The entrance to the Community Room is on Bowler St (The side of the building). You can not gain access to the room through the police station entrance.

DIRECTIONS:

From Roosevelt Blvd northbound... Use the center lanes and turn left at Lott St. (This is the first light after Grant Ave). Follow Lott St to the end, which is Bustleton Ave. Turn right on Bustleton Ave and go one block to Bowler St (next light). Turn right on Bowler St and the building and entrance is on your left.

From Roosevelt Blvd southbound... Use the outside lanes and turn right at Conwell St. (This is the first light after Red Lion Rd). Turn left at President St which will be at the first STOP sign. Follow President St to the end and turn left on Wisteria St. Go to the STOP sign and turn left on Bowler St. The building and entrance is on your right.

President's Report - February 1999 by Tom Burke

Last month we held our annual elections for club officers. The results are as follows:

President - Tom Burke

Vice President - Steve Short

Secretary - Kathy Lavelle

Treasurer - Roy Kalbs

I want to extend my congratulations to Steve, Kathy and Roy on their election.

Last month a committee was formed to look over our bylaws and to suggest changes and additions. If any member has any suggestions for improving the bylaws please let us know your ideas. You can voice your opinion openly at the next meeting or talk to one of the bylaw committee members personally. The bylaw committee consists of Heinz Wendt, Ron Fretz, John Anderson and Wally Jerkowitz.

The next business meeting will be held on February 13th, starting at 10:00am. This will be followed at 11:00 am with a workshop on "An Introduction to Windows 98" giving by Wally Jerkowitz. All members are welcome to bring their friends to any of our meetings. We are always eager to see a new face.

Again I must apologize for any unanswered email. My computer is out of commission again. I decided to but it to retire it and buy a entirely new system. As my luck would have it, their has been a delay in receiving one of the components due to an error in the drivers. So,

until I am up with the new system, I will be unable to answer your email. If you need to get in touch with me, feel free to call me at the number listed on page two.

We are looking for a member who would be interested in being the editor of this newsletter. I am unable to produce a more informative publication due to time restraints. If you are interested in helping with this club task, give me a call.

One last important note: CESOP has a new mailing address. The new address is PO BOX 45891, Philadelphia, PA 19149. Please make a note of it.

See you at the meeting

Tom Burke
