Official Newsletter of the Computer Education Society of Philadelphia

September 1999

Volume 18 Issue 6

\$1.50 US

## MEETING LOCATION

Until further notice, all meetings will be held at the 7<sup>th</sup> Police District's Community Room located at Bustleton & Bowler.

The entrance to the Community Room is on Bowler St (The side of the building). You can not gain access to the room through the police station entrance.

### DIRECTIONS:

*From Roosevelt Blvd northbound...* Use the center lanes and turn left at Lott St. (This is the first light after Grant Ave). Follow Lott St to the end, which is Bustleton Ave. Turn right on Bustleton Ave and go one block to Bowler St (next light). Turn right on Bowler St and the building and entrance is on your left.

*From Roosevelt Blvd southbound...* Use the outside lanes and turn right at Conwell St. (This is the first light after Red Lion Rd). Turn left at President St which will be at the first STOP sign. Follow President St to the end and turn left on Wisteria St. Go to the STOP sign and turn left on Bowler St. The building and entrance is on your right.

has been destroyed and discarded.

I still welcome anyone who would like to publish something in this newsletter regarding computers to send their article to me for publication. Refer to page 3 for submitting articles.

As always,, I want to thank our sponsor, PlantagaNet for their generosity. For those of you that have asked me about an ISP, give them a call. See their ad on page 3.

See you at the meeting

Tom Burke

## President's Report - September 1999 by Tom Burke

I can't believe how fast the summers pass by anymore. I hope everyone had an enjoyable summer. September is here and we will resume our monthly meeting schedule starting on Saturday, September 11, 1999. As always, the business meeting will start at 10:00 am and be followed by a video from Microsoft directed towards computer user groups. (*The video will be presented only if I can obtain the equipment to present it.*) After this we will have a general open discussion.

You may be wondering why membership renewal forms have not been sent out for the 99-00 membership year. Due to the fact that we did rather well from TCF this year, it has been agreed that all members in good standing for the 98-99-membership year will be renewed automatically for the 99-00-membership year at no cost to the member.

Another change in membership dues will be that all first time new members will have their dues waived for their first year of membership. We hope that this may entice more people to give us a try.

We are still open to suggestions for a new meeting location. We need a site that is easy to get to by private and public transportation. We would also need access to a local telephone line for Internet access during meetings. The ability to store a small amount of club equipment would also be a big help. Due to certain policy changes, we no longer have the ability to store our equipment where we are currently meeting. All equipment of any value to the club is currently stored in my home. Hardware and software that was obsolete
