President's Report - November 1999
by Tom Burke

WE HAVE A NEW MEETING LOCATION, DATE and TIME..

For those who may have missed last month's announcement concerning our new meeting date and location, it is as follows:

The 2nd Wednesday of the month starting at 7:30 PM

The next meeting will be held on November 10 at 9940 Haldeman Ave

There will be NO meeting on Saturday, November 13th

Please refer to the left for travel directions.

Those that attended last month's meeting seemed pleased with the new location. I have heard some feedback regarding the day we meet. If enough members would prefer to move the meeting to a different day or week, please let us know.

FYI - There is a kitchen available for anyone wanting something to eat or drink. Prices are reasonable. Coffee is supplied by CESOP.

I hope to see more members attend the November meeting so we can proceed with our annual elections. We are also looking for feed back regarding the workshops. (When and where?)

As always, I want to thank our sponsor, PlantagaNet for their generosity. For those of you that have asked me about an ISP, give them a call. See their ad on page 3.

Thank you also goes to the Bayerischer Volksfest Verein for allowing us to use their facilities for our meetings. If you have need of a hall for an upcoming affair, give them a call at 215-673-5646. They can cater all types of affairs.

Remember this is your club, come out and support it. See you at the meeting
